## CORPORATION OF THE CITY OF PITT MEADOWS

#### MANAGEMENT REPORT

The Financial Statements contained in this Statement of Financial Information under the *Financial Information Act* have been prepared by management in accordance with generally accepted accounting principles or stated accounting principles, and the integrity and objectivity of these statements are management's responsibility. Management is also responsible for all the statements and schedules, and for ensuring that this information is consistent, where appropriate, with the information contained in the financial statements.

Management is also responsible for implementing and maintaining a system of internal controls to provide reasonable assurance that reliable financial information is produced.

Council is responsible for ensuring that management fulfils its responsibilities for financial reporting and internal control.

The external auditors, KPMG LLP, conduct an independent examination, in accordance with generally accepted auditing standards, and express their opinion on the financial statements. Their examination does not relate to the other schedules and statements required by the Act. Their examination includes a review and evaluation of the City's system of internal control and appropriate tests and procedures to provide reasonable assurance that the financial statements are presented fairly. The external auditors have full and free access to Council and meet with it on an annual basis.

On behalf of the Corporation of the City of Pitt Meadows,

Chervl Harding

Director of Financial Services

#### **INDEPENDENT AUDITORS' REPORT**

To the Mayor and Council of the City of Pitt Meadows

#### Opinion

We have audited the consolidated financial statements of the City of Pitt Meadows (the "City"), which comprise:

- the consolidated statement of financial position as at December 31, 2021
- the consolidated statement of operations for the year then ended
- the consolidated statement of changes in net financial assets for the year then ended
- the consolidated statement of cash flows for the year then ended
- and the notes and Schedule 1 to the consolidated financial statements, including a summary of significant accounting policies

(Hereinafter referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the consolidated financial position of the City as at December 31, 2021, and its consolidated results of operations, its changes in net consolidated financial assets and its consolidated cash flows for the year then ended in accordance with Canadian public sector accounting standards.

#### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "*Auditors' Responsibilities for the Audit of the Financial Statements*" section of our auditors' report.

We are independent of the City in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada and we have fulfilled our other ethical responsibilities in accordance with these requirements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

# Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian public sector accounting standards organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the City's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the City or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the City's financial reporting process.

#### Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

 Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

City of Pitt Meadows Page 3

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on City's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause City to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

## FOR THE YEAR ENDED DECEMBER 31, 2021

The City was incorporated as a District Municipality in 1914 under the Municipal Act (now a combination of the Community Charter and the Local Government Act), a statute of the Province of British Columbia. Effective January 1, 2007, the articles of incorporation of the municipality were changed by an Order in Council of the provincial government to reflect a change in its name to the City of Pitt Meadows. Its principal activities include the provision of local government services to the residents of the incorporated area. These services include community planning, protective, transportation, recreational & cultural, solid waste, water, sewer, drainage, diking services and general government.

## **1. SIGNIFICANT ACCOUNTING POLICIES**

#### (A) BASIS OF PRESENTATION

The consolidated financial statements of the City of Pitt Meadows are prepared in accordance with Canadian public sector accounting standards as prescribed by the Public Sector Accounting Board (PSAB) of the Chartered Professional Accountants Canada.

The consolidated financial statements reflect the assets, liabilities, revenues, expenses, and accumulated surplus of the reporting entity which is comprised of all organizations that are controlled or owned by the City, including the Pitt Meadows Economic Development Corporation which was incorporated on March 5, 2010 and is currently inactive. Inter-entity balances and transactions have been eliminated on consolidation.

#### (B) CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of cash, bank balances, highly liquid money market investments and shortterm investments with maturities of less than 90 days at acquisition.

#### (C) PORTFOLIO INVESTMENTS

Investments are recorded at amortized cost. Investment premiums and discounts are amortized over the term of the respective investment. Investments are written down when there is considered to be a permanent decline in value.

#### (D) DEFERRED REVENUE

The City defers a portion of the revenue collected from permits, licenses and other fees and recognizes this revenue in the year in which related inspections are performed or related expenditures are incurred.

#### (e) Government Transfers

Government transfers, which include legislative grants, are recognized as revenue in the financial statements when the transfer is authorized, any eligibility criteria are met, and the amount to be received can be reasonably estimated except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when the transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

## (F) DEBT

Debt is recorded net of related sinking fund balances held by the Municipal Finance Authority of BC (MFA).

#### (G) EMPLOYEE FUTURE BENEFITS

The City and its employees make contributions to the Municipal Pension Plan. The Municipal Pension Plan is a multi-employer contributory defined pension plan. These contributions are expensed as incurred.

The City also accrues sick leave, deferred vacation, supplementary vacation, vacation in year of retirement, overtime and service severance benefits. The liability relating to these benefits is actuarially determined based on service and best estimates of retirement ages and expected future salary and wage increases. The liability under this benefit plan is accrued based on projected benefits as the employees render services necessary to earn the future benefits. The discount rate used to measure obligations is based on the cost of borrowing. The cumulative unrecognized actuarial gains and losses are amortized over the expected average remaining service life of active employees covered under the plan.

#### (H) LIABILITY FOR CONTAMINATED SITES

Contaminated sites are a result of contamination being introduced into air, soil, water or sediment of a chemical, organic or radioactive material or live organism that exceeds an environmental standard. Any liability is recorded net of any expected recoveries. A liability for remediation of contaminated sites is recognized when all the following criteria are met:

- a. an environmental standard exists;
- b. contamination exceeds the environmental standard;
- c. the City is directly responsible or accepts responsibility;
- d. it is expected that future economic benefits will be given up;
- e. a reasonable estimate of the amount can be made.

The liability is recognized as management's estimate of the cost of remediation and post-remediation including operation, maintenance and monitoring that are integral parts of the remediation strategy for a contaminated site.

#### (I) NON FINANCIAL ASSETS

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of goods and services. They have useful lives extending beyond the current year and are not intended for sale in the ordinary course of operations.

#### (I) TANGIBLE CAPITAL ASSETS

Tangible Capital Assets, including capital work-inprogress, are recorded at cost which includes all amounts that are directly attributable to acquisition, construction, development and betterment of the assets. Interest incurred during construction is capitalized.

The cost, less residual value, is amortized on a straightline basis over the estimated useful lives of the assets as follows:

| Buildings                 | 20 to 50 Years  |
|---------------------------|-----------------|
| Drainage Infrastructure   | 30 to 80 Years  |
| Equipment and Furnishings | 4 to 10 Years   |
| Land Improvements         | 20 to 30 Years  |
| Leasehold Improvements    | 10 Years        |
| Other Infrastructure      | 50 to 100 Years |
| Road Infrastructure       | 20 to 100 Years |
| Sewer Infrastructure      | 30 to 80 Years  |
| Vehicles                  | 5 to 20 Years   |
| Water Infrastructure      | 10 to 80 Years  |

Amortization commences when the asset is put into service.

Diking Infrastructure consists of dikes and ditches which are not amortized since they do not deteriorate as long as they are maintained properly.

Contributed tangible capital assets are recorded at their estimated fair value at the date of contribution as contributed revenue.

Natural resources, works of art and cultural and historic assets are not recorded as assets in these financial statements.

#### (II) INVENTORIES OF SUPPLIES

Inventories of supplies held for consumption are recorded at the lower of actual cost and replacement cost.

#### (J) REVENUE RECOGNITION

Revenue is recorded on the accrual basis and recognized in the period in which the transactions or events occurred that give rise to the revenues. Revenue unearned in the current period is recorded as deferred revenue until the services are provided.

Taxes are recorded at estimated amounts when they meet the definition of an asset, have been authorized and the taxable event occurs. Annual levies for non-optional municipal services and general administrative services are recorded as taxes for municipal services in the year they are levied. Taxes receivable are recognized net of an allowance for anticipated uncollectable amounts. Levies imposed by other taxing authorities are not included as taxes for municipal purposes.

Unrestricted revenue for the sale of goods and services are reported as revenue at the time the services or products are provided.

Contributions for specific purposes are recorded as deferred revenue and recognized as revenue in the year in which the related expenses are incurred.

#### (K) EXPENSE RECOGNITION

Expenses are recognized in the period the goods and services are acquired and a liability is incurred or transfers are due.

# (L)TAX COLLECTIONS FOR OTHER GOVERNMENTS

The City is required by legislation to bill and collect taxes on behalf of other governments. These revenues and payments are not included in the City's financial statements.

#### (M) USE OF ESTIMATES

The preparation of consolidated financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and contingent assets and liabilities, and the reported amounts of revenues and expenses during the period. Significant areas requiring use of management estimates relate to the determination of employee benefit obligations, useful lives of tangible capital assets, valuation of contributed assets and liabilities associated with legal claims. As such, actual results could differ from those estimates.

#### (N) SEGMENT DISCLOSURES

A segment is defined as a distinguishable activity or group of activities of a government for which it is appropriate to separately report financial information. The City has provided definitions of segments as well as presented financial information in Note 18.

#### (O) BUDGET INFORMATION

Budget information, presented on a basis consistent with that used for actual results, was included in the Five Year Plan and was adopted by Council on April 13, 2021.

## 2. PORTFOLIO INVESTMENTS

The City's portfolio of investments include money market mutual funds and fixed income Canadian corporate paper and bonds.

The fixed income instruments have stated rates of return ranging from 0.44% to 2.91% (2020 – 0.44% to 2.91%), with varying maturity dates up to June 1, 2024 (2020 – June 1, 2024). It is the City's practice to buy and hold investments to maturity in order to realize the stated rate of return.

|   | 2021 MARKET  | 2021 COST    | 2020 COST    |
|---|--------------|--------------|--------------|
| Money market mutual funds                     | \$1,789      | \$1,789      | \$1,773      |

## 7. EMPLOYEE BENEFIT LIABILITY

The City provides non-vested sick leave, service severance, overtime bank, and vacation benefits to its employees. These benefits are described as follows:

- a. **Non-Vested Sick Leave:** Regular full-time employees are entitled to a sick leave benefit of 1.5 days for each month of service which may be accumulated to a maximum of 261 days. Regular part-time employees are entitled to a sick leave benefit of 1 day (pro-rated) for each month of service which may be accumulated to a maximum of 75 days.
- b. Service Severance: Upon retirement, employees are eligible for a payout of 3 days per year of service accumulated paid at his or her current rate of pay.
  Employees leaving the service of the employer, other than on retirement or layoff who have completed 8 or more years of service are eligible for a payout of 1 day per year of service paid at his or her current rate of pay.
- c. Overtime Bank: Employees may accumulate overtime hours in a bank. Upon termination, retirement or death, accrued overtime is paid out at his or her current rate of pay.

- d. Deferred Vacation: Employees may defer a portion of their annual vacation entitlement. Employees in the collective bargaining unit who are entitled to 25 vacation days or more are subject to a maximum accumulation of 20 days. Exempt employees are subject to a maximum of 20 days.
- e. Supplementary Vacation: Employees are entitled to 5 days of supplementary vacation every five years.
  Employees in the collective bargaining unit are entitled commencing the fifteenth year of service. Exempt employees are entitled commencing the fifth year of service. The supplementary days must be used during the five year period following entitlement.
- f. Severance, deferred vacation and sick leave plans do not provide medical or dental coverage as part of the benefit provided, therefore medical and dental is not included in the valuation.

Information about obligations for employee sick leave, overtime, vacation and retirement benefits are as follows:

## **12. MUNICIPAL PENSION PLAN**

The City and its employees contribute to the Municipal Pension Plan (a jointly trusteed pension plan). The board of trustees, representing plan members and employers, is responsible for administering the plan, including investment of assets and administration of benefits. The plan is a multiemployer defined benefit pension plan. Basic pension benefits are based on a formula. As at December 31, 2020, the plan has about 220,000 active members and approximately 112,000 retired members. Active members include approximately 42,000 contributors from local governments.

Every three years, an actuarial valuation is performed to assess the financial position of the plan and adequacy of plan funding. The actuary determines an appropriate combined employer and member contribution rate to fund the plan. The actuary's calculated contribution rate is based on the entry-age normal cost method, which produces the long-term rate of member and employer contributions sufficient to provide benefits for average future entrants to the plan. This rate may be adjusted for the amortization of any actuarial funding surplus and will be adjusted for the amortization of any unfunded actuarial liability.

The most recent valuation for the Municipal Pension Plan as at December 31, 2018, indicated a \$2,866 million funding surplus for basic pension benefits on a going concern basis.

The City paid \$891,356 (2020 - \$772,588) for employer contributions while employees contributed \$763,040 (2020 - \$666,321) to the plan in fiscal 2021.

The next valuation will be as at December 31, 2021, with results available in 2022.

Employers participating in the plan record their pension expense as the amount of employer contributions made during the fiscal year (defined contribution pension plan accounting). This is because the plan records accrued liabilities and accrued assets for the plan in aggregate, resulting in no consistent and reliable basis for allocating the obligation, assets and cost to individual employers participating in the plan.

### **13. CONTINGENT LIABILITIES AND COMMITMENTS**

#### CONTINGENT LIABILITIES

- a. The City is a member of the Municipal Insurance Association (MIA), which operates under a reciprocal insurance exchange agreement. The main purposes of the exchange agreement are: (1) to pool the risk of third party liability claims against member municipalities (approximately 170) in order to allow for stable financial planning related to those liability claims; and (2) to engage in broad risk management strategies to reduce accidents or occurrences that may result in liability claims against the City. The City is assessed an annual premium by MIA based on factors such as population, administrative costs, premium tax and re-insurance costs. MIA is subject to financial oversight by the Provincial Government.
- b. The City self insures for certain potential financial losses arising from the penetration of water into building envelopes ("leaky buildings") and acts of terrorism, for any claims made after January 1, 2002.
- c. The City has been named defendant in a number of claims that are currently pending. In determining their estimated exposure the City has relied upon their understanding of the claims, including activities undertaken by the other parties, as well as discussions with legal counsel. In the opinion of management, the amount of any loss from these claims cannot be reasonably estimated, nor can the likelihood of their outcomes be known at this time. Therefore, management has made no provision for these claims and any future settlement will be accounted for in the year of settlement.

- d. As at December 31, 2021 there were various property assessment appeals pending. The outcome of those appeals may result in adjustments to property taxes receivable for the current and prior years. The City has made no specific provision for these appeals as the outcome is indeterminable. Management does not expect any material adjustments to occur from appeals.
- e. The City is a member of E-Comm, an organization comprised predominately of member municipalities, for the purpose of providing emergency dispatch services. The City is represented on the board, and as a Class 'A' shareholder has voting rights should the organization want to incur additional debt. The E-Comm facility was constructed using debt as a financing mechanism and members are liable for a proportionate share of that debt. This debt is repaid by members through annual fees charged by E-Comm. Should E-Comm dissolve, members would be liable for a proportionate share of any residual debt. Alternatively should a member choose to opt out of E-Comm, they would be liable for a proportionate share of debt at the time of withdrawal.
- f. The City has a contingent liability with respect to debentures of the Greater Vancouver Water District, Greater Vancouver Sewerage and Drainage District and Metro Vancouver, to the extent provided for in their respective Enabling Acts, Acts of Incorporation and Amending Acts. Management does not consider payment under this contingency to be likely and therefore no amounts have been accrued.

## **13. CONTINGENT LIABILITIES AND COMMITMENTS CONTINUED**

#### COMMITMENTS

- g. The City has a long-term service agreement with another organization for the provision of fire and public works dispatch services. This agreement has an annual cost of approximately \$36,000 and will expire on December 31, 2024.
- h. The City leases approximately 12,200 square feet of space at 12059 Harris Road for the Pitt Meadows Library. The lease commenced March 1, 2012 for a term of ten years and was renewed for a five year term ending February 28, 2027 with an option to renew for a further five years. The annual minimum rent is \$151,000 and is subject to annual CPI increases in the renewal periods.
- i. The City has an Operating and Maintenance Agreement with Nustadia Recreation Inc. for the operation and maintenance of the Pitt Meadows Arena. The agreement was effective May 1, 2011, with an initial term of five years and four optional renewal periods. In April 2021, the parties agreed to renew the contract for 2-periods for a total of 10 years from May 11, 2021 to April 30, 2031. An annual management fee of \$100,000 is payable under the agreement (adjusted annually for inflation), with payments due in equal monthly installments.

- j. The City has a long-term service agreement with the Province of British Columbia for the provision of police services by the Royal Canadian Mounted Police with an annual cost of approximately \$3.9 million. The current agreement commenced April 1, 2012 with an expiry date of March 31, 2032.
- k. The City completed a lease agreement in April 2020 with Fly Guy Aviation for the temporary relocation of the fire hall during construction of the new fire hall. This agreement is for two years and five months expiring September 1, 2022. The monthly rent is \$20,300.

## **15. CONTRACTUAL RIGHTS**

Contractual rights are rights to economic resources arising from contracts or agreements that will result in revenues and assets in the future. The City's contractual rights arise from contracts entered into for leases, licenses to occupy, grant funding agreements, service agreements, and developer contribution agreements.

| CONTRACTUAL<br>RIGHTS | 2022        | 2023        | 2024      | 2025      | 2026      | THEREAFTER |

## **18. SEGMENTED INFORMATION**

For reporting purposes, City activities have been aggregated into functional segments based on the services each activity provides. The Segmented Disclosure Note (18(a)) reports the revenues and expenses that are directly attributable to each functional segment. The following describes the services included in each segment:

#### GENERAL GOVERNMENT SERVICES

The General Government segment includes administration, legislative, financial, human resources, information technology and sustainability services. This also contains municipal property taxation and penalties and interest charged thereon, taxes in lieu, return on investments, and interest paid on development cost charge funds and tax prepayment accounts.

#### **PROTECTIVE SERVICES**

The Protective Services segment includes Police services provided by the RCMP and support services by the City of Maple Ridge, fire protection, bylaw enforcement, business licensing, building inspection, animal control and emergency program services.

#### TRANSPORTATION SERVICES

The Transportation Services segment includes engineering, operations administration, and roads maintenance services.

#### UTILITY, SOLID WASTE AND DIKING SERVICES

The Utility, Solid Waste and Diking Services segment includes drainage, water, and sewer utility services, the solid waste collection and disposal service and diking services.

#### PARKS, RECREATION AND CULTURAL SERVICES

The Parks, Recreation and Cultural Services segment includes parks and recreation services provided by the City, Library services provided by the Fraser Valley Regional Library, and the operations of the Pitt Meadows Arena.

#### DEVELOPMENT SERVICES

The Development Services segment includes services for managing development and community planning.

## **18(A). SEGMENTED INFORMATION – SEGMENTED DISCLOSURE CONTINUED**

## **19. IMPACT OF COVID-19**

On March 11, 2020, the COVID-19 outbreak was declared a pandemic by the World Health Organization. The current challenging economic climate may lead to adverse changes in cash flows and working capital levels, which may also have a direct impact on the City's operating results and financial position in the future. The situation is dynamic and the ultimate duration and magnitude of the impact on the economy and the financial effect on the City is not known at this time.

## **SCHEDULE 1 - COVID-19 SAFE RESTART GRANT**

YEAR ENDED DECEMBER 31, 2021

In November 2020, the Ministry of Municipal Affairs provided the City with funding in support of dealing with the increased operating costs and lower revenue due to COVID-19.
