Dear Director Dingwall:

**2022 Metro Vancouver Committee Appointments  
Flood Resiliency Task Force**

I have reviewed the committee structure and composition. In keeping with past practice, I have tried to balance membership from different parts of the region, reflect the population/voting strength of member jurisdictions in the overall number of committee seats allocated to any one municipality, weigh the value of continuity against the desirability of inserting new perspectives, and take into account the stated preferences I received. To this end, I also take diversity on our committees seriously, and have endeavored to reflect our region with committee representation. I have given utmost consideration towards achieving gender parity; however, there are limitations when taking into account the current Board composition.

I am pleased to appoint you to the following:

- as Chair of the **Flood Resiliency Task Force**.

Enclosed is the 2022 Committee Membership for your information. Committee meeting dates and Terms of Reference will follow.

I look forward to working with you in what promises to be another challenging but very rewarding year ahead. Your willingness to accept this responsibility is very much appreciated.

Yours sincerely,

Sav Dhaliwal
