

## CLOSED ITEMS RELEASED TO THE PUBLIC

At the January 19, 2021 Special (Closed) meeting of Council, Pitt Meadows City Council resolved to release the following closed items to the public:

December 1, 2020 - Closed Meeting of Council

**TOPIC: COVID 19 Safe Restart Grant**

### SUMMARY:

As a result of the COVID-19 Pandemic, the City received a Provincial grant in the amount of \$3.6M which Council directed staff to deposit into an operating reserve fund to address all revenue declines and increased costs related to the pandemic within the specific guidelines set out by the Province. (See Attachment A)

November 2, 2020

Ref: 257671

Mark Roberts  
 Chief Administrative Officer  
 City of Pitt Meadows  
 12007 Harris Rd  
 Pitt Meadows BC V3Y 2B5

Dear Mark Roberts:

The provincial government understands the fiscal impacts that COVID-19 has placed on local service providers. To help address these challenges, in September the Province of British Columbia announced nearly \$2 billion in joint federal/provincial spending, including: \$540 million for local governments, \$418 million for community infrastructure, and \$1 billion for transit, TransLink and ferries.

The \$540 million for local governments was further divided into three funding streams. Two of the streams (“Development Services” for \$15 million and “Strengthening Communities” for \$100 million) will be application-based funding. More information on these funding streams will be forthcoming.

The third stream will provide direct grants to local governments. This funding stream is called the “COVID-19 Safe Restart Grants for Local Governments” and will provide up to \$425 million for local operations impacted by COVID-19. This funding will support local governments as they deal with increased operating costs and lower revenue due to COVID-19. It will also ensure local governments can continue to deliver the services people depend on in their communities. Eligible costs will include:

- addressing revenues shortfalls;
- facility reopening and operating costs;
- emergency planning and response costs;
- bylaw enforcement and protective services like fire protection and police;
- computer and other electronic technology costs (to improve interconnectivity and virtual communications);
- services for vulnerable persons (e.g. persons living with disabilities, mental illness or addictions, persons experiencing homelessness or other vulnerabilities); and
- other related costs.

I am pleased to advise you that **Pitt Meadows** is the recipient of a **\$3,656,000** grant under the COVID-19 Safe Restart Grant for Local Governments. This amount will be directly transferred to your local government in the coming days.

.../2

Under section 36 of the Local Government Grants Regulation, the amount of the grant to each local government is set by Minister of Municipal Affairs and Housing. The determination of this amount was based on a formula that applies to all municipalities.

This formula is based on two components: a flat funding amount and an “adjusted per-capita” amount. The flat amount is \$169,000, and the “adjusted per-capita” amount is \$308.34 per adjusted population.

The adjusted population formula is designed to ensure that larger municipalities receive more money than smaller ones, but that smaller municipalities receive higher per capita funding than larger ones. This is because small municipalities often lack a diverse tax base and the economies-of-scale to easily restart their operations.

An example of the funding formula (for a municipality of 43,000 people) is provided as an attachment to this letter. If you wish, you can apply this formula to your 2018 population of **19,772** to determine both your adjusted population and total funding amount. 2018 population data was used because it is the last year in which we have complete financial and demographic data for each municipality.

To ensure full transparency regarding the use of funds, your local government will be required to annually report on how it spent this grant. This will be part of your annual financial reporting under section 167 of the Community Charter. Your local government will provide a schedule to the audited financial statements respecting the amount of funding received, the use of those funds, and the year-end balance of unused funds. Your local government must continue to annually report on the use of grant money until the funds are fully drawn down.

If you have questions or comments regarding this letter, please feel free to contact Jennifer Richardson, Grants Analyst, Local Government Infrastructure and Finance Branch, by email at: [Jennifer.Richardson@gov.bc.ca](mailto:Jennifer.Richardson@gov.bc.ca), or by phone at: 778 698-3243.

The provincial government welcomes this opportunity to support COVID-19 restart and recovery throughout British Columbia. We believe that this funding will contribute to the long-term recovery of local governments who are both critical service providers and crucial drivers in the British Columbia economy.

Sincerely,

Kaye Krishna  
Deputy Minister

Cheryl Harding, Chief Financial Officer, City of Pitt Meadows

**Attachment: Example Calculation for a Municipality with 43,000 People**

**City of Rockridge**

Population	<b>43,000</b>
Adjusted Per Capita Funding	<b>\$308.34</b> per adjusted population
Flat Funding Amount	<b>\$169,000</b>

**Funding model**

A		B	E = C (up tp 43,000)			
Population Range		C=B-A	D	Rockridge Pop	F = E x D	F
From	to	Range	Adjustment Ratio	Rockridge Pop	Adjusted Pop Calc	Adjusted Pop
-	2,000	2,000	1	2,000	= 2,000 x 1	2,000
2,001	5,000	3,000	0.8	3,000	= 3,000 x 0.8	2,400
5,001	10,000	5,000	0.6	5,000	= 5,000 x 0.6	3,000
10,001	20,000	10,000	0.4	10,000	= 10,000 x 0.4	4,000
20,001	40,000	20,000	0.2	20,000	= 20,000 x 0.2	4,000
40,001	150,000	110,000	0.1	3,000	= 3,000 x 0.1	300
150,001	900,000	750,000	0.05	-	= 0 x 0.05	-
Sum				<b>43,000</b>		15,700 $G=\Sigma F$
				Per capita funding		<b>\$308.34</b> H
				Funding per Adjusted Pop		4,840,938 $I=GxH$
				Flat Funding Amount		<b>169,000</b> J
				Total Funding Amount		<b>5,009,938</b> $K=I+J$

Thus, a municipality with a population of 43,000 would have an adjusted population of 15,698. With per capita funding of \$308.34, the funding per adjusted population would \$4.84 million. Plus a flat funding amount of \$169,000, the total funding to this municipality would be \$5.009M.

The Population data was taken from the Ministry's Local Government Stats System for 2018 (Schedule 201).
