

# Strategic Priorities Quarterly Report

April – June 2020

In light of the COVID-19 pandemic, the City's operational priorities have shifted significantly, with the safety and wellbeing of all community members, staff members, and Council members being the first priority. Significant time and resources have been dedicated to a variety of initiatives to ensure the safety and resiliency of our community. In addition to business and community continuity, the following operational strategies are also prioritized for Q2 2020.
