Subject: Hydropaws

This is a letter of support for Hydropaws.

I am very grateful that we have an amazing facility in our community to take our dogs. My young dog swims there regularly and loves it. He has some reactivity issues and I am unable to take him to public areas to swim so this is perfect for us. Janet allows me to swim with him which has also been great for my physical issues.

There is not another pool like this and I know many of us who love our canines really need for this facility to remain open.

We live close to the kennel and agree with resolution c refuse renewal. Kennel should be in a industrial area not residential last time it was operating dogs barking all the [time.In](#) pitt meadows we have noise north and south and east the west is still quiet be nice to keep it that way. I feel bad for the house on 188th street that looks at kennel and has to deal with noise. Thanks Terry

Re: HydroPaws

Dear Mayor and Council:

I am writing this letter in support of the continued operation of HydroPaws Hydrotherapy and Wellness Centre, located at 18745 Ford Road, Pitt Meadows.

As someone who is a regular client at this business, I have always found it to be run in a professional manner. Canine therapy is a unique business and HydroPaws is one of the only places in the lower mainland that provides this service.

We use this service to help our arthritic 11 year-old dog gain some much needed relief. I travel from Port Moody for this service, and often stop at the local stores and services while in Pitt Meadows. We visit the groomers on Harris Road and the pet store on Lougheed Highway, while we are in Pitt Meadows as well.

I support the continued operation of this business in Pitt Meadows and hope that the application is approved so that we can continue to benefit from this unique business in Pitt Meadows.

Thank you for your consideration,

Meghan Lahti
Port Moody
